

The diagram is a cross-section of a building structure. At the top, a horizontal dimension line shows a total width of 166, with 3 units on each side. Below this, a vertical section is shown. On the left, a vertical dimension line indicates a height of 1,985 (DH: 1,985) from a level marked 'FL' (Floor Level) to the top of the structure. The structure consists of a central vertical column and a horizontal beam. The column has a diameter of 12. The beam has a width of 100.5. The column is supported by a base with a width of 126.5. The base is divided into three sections: 12.6, 26.8, and 132.6. The total width of the base is 166. The base is also divided into three sections: 6.5, 39, and 126.5. The total height of the structure is 2,039 (H: 2,039). The structure is labeled '枠内 IH: 2,000' (Internal Frame IH: 2,000) and '枠外 H: 2,039' (External Frame H: 2,039). The diagram also shows a section of the structure with a width of 24 and a height of 15.
